

## FOUR CHILDREN BURNED IN LOCKED APARTMENT; FIREMEN RESCUE THREE

Policeman Also Bears One to  
Safety From Smoke  
and Flames.

Four children, locked in a flat at No. 317 Eckford Street, Greenpoint, this afternoon, were probably fatally burned when flames burst out in the place. One was rescued by a policeman. Three firemen carried the

others to safety and in doing so were burned about the hands.

The injured children are Joseph Budilowsky, three; his brother, Edward, two; their sister, Florence, eight months old, and Agnes Schingel, six, a playmate, who lived in the same building.

Mrs. Budilowsky went across the street at 1 o'clock this afternoon to visit a sick relative. Before going she locked up her flat, in which the four children were playing.

A few minutes afterward Policeman Benzig, leaving the Greenpoint Avenue station, not more than 100 feet away, saw smoke pouring from the third floor.

He burst in the door of the Budilowsky flat and seized Florence, who was lying on the floor, her clothing ablaze. As he reached the street with her, Engine Co. No. 238 reached the building and Firemen Oester, Feister and Deutsch ran up.

When they got to the third floor flames were sweeping through the place and the smoke was so thick they could hardly see. They found the other three children unconscious on the floor.

Florence and Joseph were sent to St. Catherine's Hospital and Edward and Agnes to Williamsburg Hospital. Not until after the flames had been extinguished did Mrs. Budilowsky learn of the fire and its tragic consequences. It is believed the little ones played with matches.

## ALBANY SOCIETY GIRL HAD TO RIDE IN SMOKE

Miss Van Santvoord, Defending Her  
Father, Denies Railroad Favor—  
Was One of Train Crowd.

ALBANY, March 11.—Miss Edith Van Santvoord, widely known in Capitol district social circles and an ardent horsewoman, to-day submitted to the Thompson Legislative Investigating Committee an affidavit in defense of her father, Chairman Seymour Van Santvoord, of the up-State Public Service Commission. It had been intimated at the hearing that the Chairman's family, due to his connection with the Commission, had

been favored by the Delaware and Hudson Railroad.

Van Santvoord was questioned concerning a newspaper article, which reported that Miss Van Santvoord had traveled from Troy to Lake George in the private car of Clifford S. Sims, Vice President and General Manager of the Delaware and Hudson Railroad Company, as a guest of his daughter. The affidavit recited that on the trip mentioned Miss Van Santvoord not only was not the guest of Miss Sims, but that she paid her fare from Troy to Lake George and was compelled to occupy the smoking compartment of the drawing room car because all the other seats were occupied.

## CITY NURSE SUSPENDED.

The investigation of Randall's Island institutions, started yesterday by Assistant District Attorney Follett, disclosed alleged facts which resulted this afternoon in the suspension of Miss Rosemary Harrington, who has been a trained nurse in the New York City Children's Hospital and School for the last twenty years.

The suspension was announced by Commissioner Kingsbury, who explained it would remain in effect until the probe of the prosecutor was concluded, when it will be decided whether charges will be preferred against Miss Harrington.

The nurse was one of the employees questioned yesterday about the death of Harvey Peeney, an inmate, who died last May after an alleged beating by an attendant.
